Hard hat, safety glasses, rubber boots to muck around in the mud... that should do it... I am going home today, so just coordinate with Bill... have fun....

Thanks.

I'm planning on driving down tomorrow It's about 5 hours so I'll be there in the afternoon. If you need me to come down earlier, let me know.

Anything in particular that I need to bring outside of the normal level D / mobile office gear bags?

Bill,

Shoot me the charging code for the Mayflower site. As well as the address to the command post.

I'm planning to travel down tomorrow.....what have you all been doing for time charging for weekends? Comp Time / OT ? I know it's a sticky situation.

I did get a room at Holiday Inn Express, Conway for government rate. I booked a room through May 3.

Looking forward to it.
